REDEMPTION

44' Voyage Yachts Catamaran 440 Owner's Version

- Year: 2002
- **Current Price: US\$ 325,000 Tax Paid (05/13)**
- Located in Vessel is Cruising, United States
- Hull Material: Fiberglass
- Engine/Fuel Type: Twin diesel
- YW# 49546-2538618

MAJOR PRICE REDUCTION ! FROM \$365,000 TO \$325,000 A \$40,000 REDUCTION ! NEW FREEZER JUST INSTALLED. BOAT IS LOOKING GOOD ! IF YOU ARE IN THE MARKET FOR A 44' OWNERS VERSION CATAMARAN YOU MUST CHECK THIS ONE OUT !

Much sought after VOYAGE 440 Owner's version in excellent condition. The port hull is dedicated for the owner with a large head compartment and separate stall shower, office area, and large sleeping compartment. A pilot berth is located inboard of the head compartment with access behind the vanity and also from a deck hatch close to the helm. This makes an excellent "on deck" berth while making a passage as the helmsman can get immediate assistance if ever needed. This adds a safety feature to any passage. If not used for sleeping, this area can double as a large storage area.

REDEMPTION is very well equipped and with many recent upgrades including: New Northern Lights Gen Set, New water maker, New Screecher with dedicated halyard, New voltage regulator, New Inverter, New electric heads, New trampolines, New freezer, New Palstimo 6-man life raft, New fresh water pump, New compass just to mention a few. See details specs for details. Main engine hours are approximately 1400 as of June 2013. Gen set hours 140. Vessel also has air conditioning, wind generator, E120 chart plotter and radar with overlay

The award winning VOYAGE 440 is the only vessel to ever receive both the best cruising catamaran and best overall cruising sailboat awards in the same year! This vessel is extremely well built and boasts very good sailing performance. The independent judges were very impressed with the installation of all systems especially electrical and plumbing. A detailed owner's manual is helpful with solutions to maintenance matters.

Additional Specs, Equipment and Information:

Engines

Engine(s) Total Power: 80 HP

Specification

SPECIFICATIONS:

- > Designer Alex Simonis, Voogd and VOYAGE yachts
- > Overall Length: 44.7 ft
- > Waterline Length: 41 ft
- > Beam: 25.1 ft
- > Draft: 3.5 ft
- > Mast Height off DWL: 62 ft
- > Displacement: 20240 lbs
- > Sail area: 1120 ft²
- > Water Capacity: 106 US Gal
- > Fuel Capacity: 106 US Gal
- > 2 x Engines: 40 Hp YANMAR
- > Berths: 6

HULL DECK AND BULKHEADS

- > • Antifouling over epoxy based osmosis barrier (fresh bottom paint 2011)
- > • Entire hull wet sanded, compounded and waxed (2011)
